## 3 Action points to protect migrant domestic workers under COVID-19

### IDWF POLICY BRIEF

Are you incorporating these recommendations into your work?

#### Policy Recommendations for Domestic workers under COVID-19

While contexts are diverse across the regions, the core demands of domestic workers movements are the same and resonate with one another. Aside the urgent alleviation of the COVID-19 induced hardships, they look into the deeper-seated injustices, to make sustainable change towards the alleviation of economic and gender inequalities of the sector.

#### Anti-Discrimination Measures

Educate the public to fight COVID-19 and discrimination at once. The pandemic is not an excuse for discrimination.

#### Policy Recommendations for Domestic workers under COVID-19

While contexts are diverse across the regions, the core demands of domestic workers movements are the same and resonate with one another. Aside the urgent alleviation of the COVID-19 induced hardships, they look into the deeper-seated injustices, to make sustainable change towards the alleviation of economic and gender inequalities of the sector.

#### Anti-Discrimination Measures

Respect and implement the International Convention on the Elimination of All Forms of Racial Discrimination.

#### Policy Recommendations for Domestic workers under COVID-19

While contexts are diverse across the regions, the core demands of domestic workers movements are the same and resonate with one another. Aside the urgent alleviation of the COVID-19 induced hardships, they look into the deeper-seated injustices, to make sustainable change towards the alleviation of economic and gender inequalities of the sector.

#### Anti-Discrimination Measures

Terminate unfair immigration laws through reference to the International Convention on the Protection of the Rights of All Migrant Workers and Members of Their Families as a framework.
